Dear Sir,

Reading of your dear  
father being ill, I  
know today's doctors do  
NOT know too much  
about cancer and other  
diseases. I know of a  
wonderful "lady-healer".

I have saw her heal a  
little girl 6 with Cancer  
in left kidney. She had  
no operations like the Dr's  
said she should. She  
was touched for 2 years  
by this elderly lady and  
now can play + walk +  
enjoy life. Another

thousands of ill people  
but one I know of  
ill I try to write &  
tell them of her. I  
had my rheumatic son  
to her because he  
couldn't sleep. After the  
blood is purified in 9  
to 10 days the process  
of God's healing begins.  
My son slept sound  
after the treatments.

father to her. Airport
